American Therapeutic Recreation Association

The American Therapeutic Recreation Association (ATRA) is the largest, national membership organization representing the interests and need of recreational therapists. Recreational therapists are health care providers using recreational therapy interventions for improved functioning of individuals with illness or disabling conditions. ATRA, was incorporated in the District of Columbia in 1984 as a not-for-profit, grassroots organization in response to growing concern about the dramatic changes in the health care industry.

Vendors

These companies have activity therapy products available for purchase.

Ageless Design - Alzheimer's Store

<http://alzstore.com>

This web site was developed for those who care for people with Alzheimer's disease. There are products of all kinds including safety and activity.

Bi-Folkal Productions, Inc.

<http://www.bifolkal.org>

This company provides program ideas and resources for those planning reminiscence programs with older adults.

eNasco Activity Therapy Products

<http://www.enasco.com>

Nasco has several catalogs for activity products in various settings including schools, recreational and health care.

Flaghouse Special Populations

<http://www.flaghouse.com/>

This catalog company carries a Special Populations catalog which features innovative, creative solutions, with therapy and educational options to enhance the potential of individuals with developmental and physical disabilities.

Innovative Caregiving Resources

<http://www.videospite.com>

This company produces a series of videos referred to as Video Respite that incorporate music and images specifically for people with dementia.

S&S World Wide Games

<http://www.ssw.com/>

Arts and crafts company has an extensive catalog online. There are downloadable activity guides geared to various age groups. They also carry a line of activity products called Primelife for seniors.

Therapeutic Recreation

<http://www.recreationtherapy.com/rt.htm>

The Therapeutic Recreation Directory contains resources for recreation therapists, therapeutic recreation specialists, creative arts therapists, activity therapists, activity directors and other disciplines. The TR Store provides information on a variety of products that can be purchased on Amazon.com.
